

...it's over now

Hey, about this crude oil you  
lost? Yeah

Stop your complainin'  
Oodles of Oil, lost  
Yeah, Praise Our God!

You're all so sad right now  
Cause you lost your cash cow  
Never will apologize  
You're so holy in your eyes  
Please, just shut your mouth

You won't tell God you're sorry  
Cause you're not  
Stupid, and you don't even  
acknowledge  
You've been caught

But you put on quite a show  
Got your squall face goin'  
As you see that oil spill grow  
Curtain's almost closin'  
This is quite a show  
Very hyperbolic  
But it's over now (But it's over  
now)  
Won't get to take a bow

Oh, oh, oh, Shut your yap, and  
get gone (get gone)  
You better hurry up  
Before that sludge hits your  
home  
Talkin' 'bout "God must bless  
the u.s.a. How much more can  
these folks take?"  
HA! You'll rue the day!  
Too late to seek those strange  
gods

That you bought  
Traitors, and you know you're  
only  
Sorry you got caught

But you put on quite a show  
Have your whore face glowin'  
But now it's time to go  
The oil spill's only growin'  
This is quite a show  
Very histrionic  
But it's over now (But, it's over  
now)  
Won't get to take a bow

(bridge)  
And your reward for  
These last days  
Is the blood  
As you have lied on God and all  
His saints  
Your sins you drink  
Let's hear your screams  
Ooooh!

You'll hear all nature applaud  
(laughing mockingly)  
Their standing ovation

But you put on quite a show  
Had your squall face showin'  
Now you've gotta go - see the oil  
slick  
Growin'?  
This is quite a show  
Really quite compelling  
But it's over now (but it's over  
now)  
Don't get to take ONE BOW!  
But it's over now
