

Oath Breakers!

(Parody of Pat Benatar's "Heartbreaker")

| |
|--|
| Your lies are like a tidal wave, spinning over our heads |
| Treacherous in your promises, wickedness instead |
| Your all proud, mighty sinners, who pursue your filthy fantasies |
| "The American winners" you suppose that you were born to be |
| You're all oath-breakers, lie-makers, truth-haters |
| Don't you think that God can see |
| You're all oath-breakers, lie-makers, truth-haters |
| God don't mess around, no, no, no! |
| Your lies have set His wrath on fire; it's beyond your control |
| With the badges, the guns, and the power, you have long vexed our souls |
| Now He slaughters your heroes; takes away your false security |
| Brings your champions to zeros; makes your lives filled with perplexity |
| You're all oath-breakers, lie-makers, truth-haters |
| Don't you think that God can see |
| You're all oath-breakers, lie-makers, truth-haters |
| God don't mess around, no, no, no! |
| Now He slaughters your heroes; takes away your false security |
| Brings your champions to zeros; makes your lives filled with perplexity |
| You're all oath-breakers, lie-makers, truth-haters |
| Don't you think that God can see |
| You're all oath-breakers, lie-makers, truth-haters |
| Don't you think that God can see |
| You're all oath-breakers, lie-makers, truth-haters |
| Don't you think that God can see |
| You're all oath-breakers, lie-makers, truth-haters |
| Oath-breakers! |
