

Change (by Christina Aguilera)

When I was young I would look in the mirror
Didn't know it then but now it couldn't be
clearer...

That I remember being filled with such wonder
Before learning that the world could be harsher

Who you love or the color of your skin
Or the place that you were born and grew up in
Shouldn't decide how you will be treated
Cause we're all the same when everybody's
breathing

Waiting for a change to set us free
Waiting for the day when you can be you and I
can be me
Waiting for hope to come around
Waiting for the day when hate is lost and love is
found
Waiting for a change, waiting for a change
Change, change...

For all the brave and the souls who went before
us
Stand tall, then proudly lift your voices
Let 'em know who we are and our choices
And one day we won't have to sing this chorus

Waiting for a change to set us free
Waiting for the day when you can be you and I
can be me
Waiting for hope to come around
Waiting for the day when hate is lost and love is
found
Waiting for a change, waiting for a change
Change, change
Change, oh, change (oh)
Waiting for a change, change, change

When I was young I would look in the mirror
Didn't see it then but now it couldn't be clearer...

God's Not Gonna Change

You speak of hate, why not look in the mirror
God's words, just couldn't be clearer
You know your flesh is prone to sin and to
wander
God's wrath will only grow harsher
(Ooooh) (Mmmmm)
Now God determined the color of your skin
And the spot you were born and grew up in
Obeying God determines how you'll be treated
'Cause you can repent as long as God keeps you
breathing

God's not gonna change for you or me
Soon there'll be a day when this whole world'll
bow the knee
You must repent, and come around
Waiting for the day when God will shut your
lyin' down
God's not gonna change
God's not gonna change
(Background: Change. Change.)
All those who died and left this earth before us
They only want to hear our voices
Warning all against pride-full choices
So in hell you won't have to hear this chorus

God's not gonna change for you or me
Soon there'll be a day when this whole world'll
bow the knee
Hope you will repent, and come around
Waiting for the day when God will shut your
lyin' down
God's not gonna change
God's not gonna change
(Background: Change. Change.)
Ooooooh.- Beeeeeeey!
Sin's wrong!
God's not gonna change.
(Background: Change.)
No-oooooh.
You speak of hate, why not look in the mirror
God's words, just couldn't be clearer
