

Tranny Tour (Parody of "25 or 6 to 4" by Chicago)

All across the USA;

People hearing what we say;

When you sin and don't obey;

God will surely make you pay.

God is standing at the door.

So we do our Tranny Tour!

No one seems to be awake;

Listen to what God has spake;

Sodom's sin is on the take;

True repentance you can't fake.

God will hear the needy, poor;

So we do our Tranny Tour.

Faithful sayings we must keep;

In the pit your fall is deep;

Pain and suffering you will reap;

No one has the sense to weep.

God will soon proclaim "no more!"

So we do our Tranny Tour.
