

**Kentucky Woman: She Caused Fag Marriage
(Parody of "Kentucky Woman" by Neil Diamond)**

Kentucky woman put sin in the spotlight
She lies about God and claims that adultery's alright
And God hates her; she knows God hates her

Kentucky woman
She caused fag marriage
Now fags own her
Kentucky woman

Full of adulteries, constantly changing her name
But she's still proud, and that's why the Christians are blamed
And God hates her; she knows God hates her

Kentucky woman
She caused fag marriage
Now fags own her
Kentucky woman

Hypocrites much
You hate God's standard, it's so sweet
Fags mad rush
Cuz that one girl taught them that that
They all should
Ain't no doubt; I'm talkin' about ...

Kentucky woman
She caused fag marriage
Now fags own her
Kentucky woman

Hypocrite much
You hate God's standard, it's so sweet
Fags mad rush
Cuz that one girl taught them that
They all should
Ain't no doubt; I'm talkin' about ...
Kentucky woman
She caused fag marriage
Now fags own her
Kentucky woman
