

Cool Change
By Little River Band

If there's one thing in my life that's missing
It's the time that I spend alone
Sailing on the cool and bright clear water
It's kind of a special feeling
When you're out on the sea alone
Staring at the full moon, like a lover
Time for a cool change
I know that it's time for a cool change
Now that my life is so prearranged
I know that it's time for a cool change
Well I was born in the sign of water
And it's there that I feel my best
The albatross and the whales they are my
brothers
There's lots of those friendly people
And they're showing me ways to go
And I never want to lose their inspiration
Time for a cool change
I know that it's time for a cool change
Now that my life is so prearranged
I know that it's time for a cool change
I've never been romantic
And sometimes I don't care
I know it may sound selfish
But let me breathe the air
Let me breathe the air...
Well I was born in the sign of water
And it's there that I feel my best
The albatross and the whales they are my
brothers
It's kind of a special feeling
When you're out on the sea alone
Staring at the full moon, like a lover
Time for a cool change
I know that it's time for a cool change
Now that my life is so prearranged
I know that it's time for a cool change

Heart Change

If there's one thing in your life that's missing
It's the time that you spend alone
Reading all the plain words of the Bible
To proud men it's unappealing
To humble hearts it is shown
The second time, His remnant He'll recover
Time for a heart change
We plead with you all – seek a heart change
All of your steps, by God prearranged
From His hand alone, comes a heart change
This earth once was destroyed by water
With mercy this world God's blessed
The day of wrath is coming, so warn your
brothers
The duty for all the people
To warn them to flee hell's woe
The duty stands for all men from Creation
Time for a heart change
We plead with you all – seek a heart change
All of your steps, by God prearranged
From His hand alone, comes a heart change
On Judgment Day you'll be frantic
Man's views – you will not care
Warn against proud sinning
For eternity prepare -- yeah
(For eternity prepare)
This earth once was destroyed by water
With mercy this world God's blessed
The day of wrath is coming, so warn your
brothers
To proud men it's unappealing
To humble hearts it is shown
The second time, His remnant He'll recover
Time for a heart change
We plead with you all – seek a heart change
All of your steps, by God prearranged
We plead with you all – seek a heart change
