

“Fag Marriage, It Can’t Be”

(Parody of “Stay With Me” recorded by Sam Smith and Mary J. Blige)

Guess it’s true, it’s too late, you don’t
understand
But you’ll have to pay, every single man
Christ will return and destroy your plan
Letting men marry men, walking hand in
hand

Fag marriage, it can’t be
The Bible’s all you need
Fags don’t love, that’s clear to see
Fag marriage, it can’t be

Mmmm, Can’t you see that it takes a toll
No, it’s not a good look, letting fags control
And deep down you know this’ll never work
Oh, man can’t lay with a man, or your soul
will hurt

Fag marriage, it can’t be
The Bible’s all you need
Fags don’t love, that’s clear to see
Fag marriage, it can’t be

Ohhs etc. (sing “No fag marriage” in the
background)

Fag marriage, it can’t be
The Bible’s all you need
Fags don’t love, that’s clear to see
Fag marriage, it can’t be

Fag marriage, it can’t be
(It can’t be, can’t you see)
The Bible’s all you need
Fags don’t love, that’s clear to see
(It’s just lust, burning lust)
Fag marriage, it can’t be
