

Dear Little Children

[Parody of "Dear Theodosia" (from 'Hamilton') by Lin-Manuel Miranda]

Dear Theodosia, what to say to you?	Dear little children, this we pray for you
You have my eyes. You have your mother's name	For opened eyes, For Christ to call your name.
When you came into the world, you cried and it broke my heart	When you came into the world, we cried, with a broken heart
I'm dedicating every day to you	We're dedicating all your days to God
Domestic life was never quite my style	The Bread of Life, to guide you through your trials
When you smile, you knock me out, I fall apart	And your smiles. He shines His light upon the just,
And I thought I was so smart	And in Him we put our trust.
You will come of age with our young nation	God has given us this obligation
We'll bleed and fight for you, we'll make it right for you	We'll teach and comfort you, God's words in front of you.
If we lay a strong enough foundation	We have made the Bible your foundation
We'll pass it on to you, we'll give the world to you	We'll follow Christ with you, but Satan's tempting you
And you'll blow us all away...	Will you throw it all away?
Someday, someday	We pray, obey
Yeah, you'll blow us all away	Only God can keep your way
Someday, someday	We live by faith
Oh Philip, when you smile I am undone	Oh children, there is hope in only one
My son	God's Son
Look at my son. Pride is not the word I'm looking for	Look to the Son! Pride is not a thing worth dying for.
There is so much more inside me now	Nothing in this world should make you proud
Oh Philip, you outshine the morning sun	Oh children, don't forget the morning sun
My son	God's Son
When you smile, I fall apart	Be reconciled! A broken heart
And I thought I was so smart	Is acceptable with God
My father wasn't around	There's only darkness around
My father wasn't around	There is no hope to be found
I swear that	Unless the
I'll be around for you.	Father has chosen you
I'll do whatever it takes	We'll help you run in this race
I'll make a million mistakes	And we'll forgive your mistakes
I'll make the world safe and sound for you...	But we will not lose our crown for you
...will come of age with our young nation	He's given us this obligation
We'll bleed and fight for you, we'll make it right for you	We'll teach and comfort you, God's words in front of you.
If we lay a strong enough foundation	We have made the Bible your foundation
We'll pass it on to you, we'll give the world to you	We'll follow Christ with you, but Satan's tempting you
And you'll blow us all away...	Will you throw it all away?
Someday, someday	We pray, obey
Yeah, you'll blow us all away	Only God can keep your way
Someday, someday	We live by faith
