

Navy Fags
(Anchors Aweigh)

(1) Anchors all gone – my friends – Anchors all gone
You turned your backs on God
This is your Day of Visitation

(Chorus verses 1 & 2) **God sends the IEDs - and RPGs**
You puff and flip off God
So down you sink
The Navy goes
To Hell

(2) God is your enemy – your enemy
Gone is your joy of sin – your dead
All go to Hell, hell, hell, hell
(Chorus)

God sinks your battle ships – you little wimps
Throw out your lifelines boys – your time
Is come to die, die, die, die

(Chorus verse 3) **All of your boast and pomp won't stop God's**
wrath
You think your safe on water
Just remember
You ain't safe
From God
