

God Hates Who You Are (Parody of "We
R Who We R" by Ke\$ha)

Hot and dangerous
Where you're goin' God will torch you up
'Cause you always lie about God's love
Your cup is full, He's had enough
Hates you, of course He does
You're runnin' round town just like a slut
We preach, you don't wanna mess with us
Christ Jesus will avenge us (us)

Spread your legs and bat your eyes
Impudent and full of pride
Lusting heart, unsatisfied
You's a ho-o-o (A HO!)

[chorus]
Your hearts are turning hard
God smacks this world of ours
He'll tear it all apart
You think you're superstars
God hates who you are!
Your proud and Bible dumb
Your consciences are numb
In God's eyes you are dung
You think you're superstars
God hates who you are!

Dear Lord burn it up
It's about that time to finish up
We're so sick of their filthiness
They makin' it all lascivious

We're just talkin' truth
We're telling you 'bout the sins you do
You're sellin' your souls, whorin' on God
He's slappin' you down, smackin' you
dudes (HARD!)

Stops your ears and blinds your eyes
God takes all your baseless pride
Looking sick and terrified
You reap what you sow (dumb hoe!)

[chorus]

Dear Lord burn it up
Dear Lord burn it up
Dear Lord burn it up
Dear Lord burn it up

[chorus]
OW!
