

GOD'S WRATH IS BLOWIN' IN THE WIND

(Parody of "Blowing In The Wind" by Bob Dylan)

How many roads will a man walk down
Chasing his sin with both hands?
How many times must God bring your kings
down
Before you will all understand?
How many times must we show you these
signs,
Before you'll obey God's commands
The answer my friend is blowin' in the wind
God shows you His wrath in His wind!

How many years will your children spill blood?
So much it could fill up a sea?
How many years will your sins vex our souls?
Before God will set His saints free?
How many times will you turn from these signs
Pretending you just didn't see?
The answer my friend is blowin' in the wind
God shows you His wrath in His wind!

How many times will the sheep's eyes look up
Before they see Christ in the sky?
How many times have we warned of that day,
Against all your idols we've cried!
How many times have we pleaded with you,
We've warned you this nation will die!
The answer my friend, is blowin' in the wind
God shows you His wrath in His wind!
Oh, the answer my friend, is blowin' in the
wind
God's shown you His wrath in His wind!
