

## Interfaith "Love" Song

(parody of "Interstate Love Song" by Stone Temple Pilots)

Preachin' yeah your fillin' up the pews  
You teach that every sin is fine  
You lie  
Sinnin', you got Jesus on a string  
Now Christ is laughing while you die!  
You cry!

Screamin' cuz of all your pain  
Satan comforts you with lies  
Promises of life and luxury  
Only if you're on his side  
Jesus said be reconciled to me

Believin' is impossible to do  
When strong delusions  
God has given you  
You lie! You'll die!

Screamin' cuz of all your pain  
Satan comforts you with lies  
Promises of life and luxury  
Only if you're on his side  
Jesus said be reconciled to me
