HAWAII WILL SOON FACE THE FURY OF GOD!

**THE
LORD
IS
COMING**

As though God is fickle like them, humans mock at the notion that there will be a day of actual retribution. They *"put far away the evil day, and cause the seat of violence to come near."* (Amos 6:3). Hawaii's preachers have aggressively taught their votives to pretend that their idols will be sufficient protection from the Avenger. But *"the Lord is a man of war"* (Exodus 15:3), and like a man of war that cannot be successfully opposed, He has declared plainly what He will do against those who mock and deny Him and His sovereignty. Pay attention to this awful warning of your specific destruction: *"For he*

put on righteousness as a breastplate, and an helmet of salvation upon his head; and he put on the garments of vengeance for clothing, and was clad with zeal as a cloke. According to their deeds, accordingly he will repay, fury to his adversaries, recompence to his enemies; to the islands he will repay recompence." (Isaiah 59:17-18). This is a prophecy about the returning King! This is a description of how those who think to hide off on remote islands and avoid the horrors of destruction will have those horrors brought right *"down upon [their] own pate"* (Psalm 7:16). Don't look over to the current Israel/Gaza conflict and pretend you're untouched. The Red Horse of violence will ride to Hawaii's islands just as certainly. The black horse of starvation will afflict Hawaii's islands just as severely. The pale horse of death and hell will stampede across Hawaii's islands just as finally. The ONLY hope for any one soul in Hawaii is the preaching of the gospel, in case God has one or more of His elect saints dwelling in that city of destruction. We must come. We must warn. Repent or perish!
