

Can't Live (If you Let the Fags Say "I Do")

[Parody of "I Can't Live (If Living Is Without You)" by Harry Nilsson]

No, we can't forget the grieving
Caused by preachers with deceiving
When the truth of God's forsaken, all hope goes
By earth judgments, that's the way God's glory shows
Yes it shows

There will soon be no tomorrow
You will face such piercing sorrow
When the God who destroyed Sodom makes His show
So now we warn you once again, so you will know
What you should know

You can't live, if you let the fags say "I do,"
You can't live, God won't bless any more
Can't live, if you let the fags say "I do"
He won't give God won't bless any more

No, we can't forget the grieving
Caused by preachers with deceiving
When the truth of God's forsaken, all hope goes
By earth judgments, that's the way God's glory shows
Yes it shows

You can't live, if you let the fags say "I do,"
You can't live, God won't bless any more
Can't live, if you let the fags say "I do"
He won't give God won't bless any more
(Letting fags say "I do")
