

THIS LAND IS FAG LAND  
(Sung to This Land is Your Land)

CHORUS

This land is fag land  
A raging mad land  
From California to the New York wastelands  
From the blood red forests to the gulf stream waters  
This land is headed straight to hell

VERSE 1

As I was walking a ribbon of highway  
I saw above me God's anger give way  
I saw around me a burning tower  
Giving a preview of hell

CHORUS: This land is fag land ...

VERSE 2

I passed by churches filled up with perverts  
Immodest females who preach and subvert  
I saw your idols, you love to worship  
Your filthy ways deserve hell

CHORUS: This land is fag land ...

VERSE 3

You've roamed and rambled, in your own footsteps  
You disobeyed God, you know what comes next  
Your angry faces, and middle fingers  
Because you know there is a hell

CHORUS: This land is fag land ...
