PENN RAPE SCANDAL: THE TIP OF THE ICEBERG?

How many coaches are raping little boys in the locker rooms of college campuses all over doomed-america? How many media mutts know about these raping coaches & refuse to tell?

College football is the biggest religion in doomed-USA. (31M claim to go to church every weekend; nearly 40M attend college football instead, & millions more watch/listen remotely.) The coaches are your high priests. They learned from raping Catholic priests how to rape little boys. They find fertile ground for their filth on the college campuses of this doomed nation, where the zeitgeist is "It's OK to be gay," "If it feels good, do it," & "Loyalty to the brand above all" – so when coaches rape boys, just look away! Students are taught Sodomy 101, Stumbling Drunk/High 220, and Advanced Fornication 347. Meanwhile, media mutts traipse in and out of the locker rooms, hallways and showers, slap butts/hands, and tip brewskis with the players and coaches – and then pretend they don't know! Sports reporters are covering a lot of sick sin; God will show the filth they practice behind the walls of sports arenas in this nation, and the whole world will see the abominable hypocrisy of doomed-america. "Hast thou seen this, O son of man? Is it a light thing to the house of [doomed-america] that they commit the abominations which they commit here? For they have filled the land with violence, and have returned to provoke me to anger: ... Therefore will I also deal in fury: mine eye shall not spare, neither will I have pity: and though they cry in mine ears with a loud voice, yet will I not hear them," Ezek.8:17-18. When your raping coaches are exposed, along with all their enablers, Westboro will be there, with neon "Coaches Rape Boys" & "Repent or Perish" signs in hand. "God H8s JoePa" & "U R PennRape" is just the beginning of this national shame & scandal. God is not mocked. Obey Him!
