***The rebellious, fag-enabling, divorced-and-remarrying perverts of Doomed america sought to stop the Gospel message of WBC from going forth by suing WBC, attacking her members and passing laws that they know are unconstitutional. They hate God's law, and they hate man's law — an utterly lawless nation from sea to shining sea. As a result of this rebellion against God's standards, these men died at the hands of an angry God for the proud sins of this land.***

***Your rage against God's standard changes nothing. God still hates fags, fags still doom nations, ergo, sodomite america is still doomed to suffer the wrath of an angry God for your proud, abominable, presumptuous sin. Heed the warning from Christ, issued under circumstances of human tragedy: "Suppose ye that these [dead people] were sinners above all...because they suffered such things? I tell you, Nay: but, except ye repent, ye shall all likewise perish." Luke 13:2-3.***
