THE GOSPEL OF THE LORD JESUS CHRIST TO BE PREACHED IN CLOSE PROXIMITY TO STEPHENS COLLEGE 1200 E BROADWAY, COLUMBIA, MO MONDAY, FEBRUARY 25TH FROM 11:30 – 12:00 PM

Stephens College boasts itself as being the second oldest of the approximately 34 active women's colleges in the United States. They have long-standing traditions, they have a Mission, a Vision, a set of "Values" and they have them some programs and some very specific responsibilities which we will address here and when we come to visit next month. That is all balderdash when you consider the fact that they

have a new policy to permit men to be admitted so long as they are "transitioning" to be women. This is not a school for *Clown Fish*, is it? Then the human males will NEVER be "transitioning" because God already chose their chromosomes for them and they are never going to change to females. See the Missourian article on that: <http://bit.ly/StephensTransAdmit>

That leaves them with only this: *And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness.* (2 Thessalonians 2:10-12)

They pretend to be teachers of good things, but they are merely one weapon in the vast arsenal at Satan's disposal to dissuade the masses from simply obeying God. However, there may be a little soul who is a lamb of God, explaining why (if He is willing) He sends us to help:

In meekness instructing those that oppose themselves; if God peradventure will give them repentance to the acknowledging of the truth; And that they may recover themselves out of the snare of the devil, who are taken captive by him at his will. (2 Timothy 2:25-26)
