

They're Coming to Jerusalem

(Sung to They're Coming to America)

Far, from the land Jews are
flung
The mourning song – it has not
been sung
Jews – who amongst you will
say
Forget that land – I'll obey
today!

On the boats and on the planes
They're coming to Jerusalem
All the nations on the way
They're coming to Jerusalem

Soon – it is not so far away
It is time for Judgment Day
House of Jacob reborn
With a scepter adorned

Soon – oh the woes you Jews
will face
Sinned away your day of grace
God's wrath burning warm
All the nations will swarm

(Music bridge)

Faithless Jews around the world
Affliction in Jerusalem
From the land you will be hurled
Good Jews come to Jerusalem

God will call his people there
They're coming to Jerusalem
Final battle's happenin' there
They're coming to Jerusalem

They're coming to Jerusalem
We're going to Jerusalem
They're coming to Jerusalem
We're going to Jerusalem --
Today
Today – *the four horses are riding*
Today – *america's doom is soon coming*
Today – *the nations are poised to march on Israel*
Today

The righteous Jews will hear
(Today)
Sweet mercy in their ear
(Today)
To thee we sing
To thee we sing
Today – *repent and rejoice elect Jews!*
Today – *come out from amongst the vile figs and obey*
Today – *the restitution of all things draws nigh* Today
