

# IT WILL BE

## Verse 1

When you find yourselves in times of trouble,  
Lying prophets charge a fee,  
To remove God's anger. It will be.

And in your hours of darkness,  
you'll say, "Liars come and stand with me.  
Keep the words of truth out." It will be.

It will be. You will see.  
God remembers; so do we.  
Speaking your rebellion. It will be.

## Verse 2

You think if all the wicked people  
Living in this world agree,  
God will change his answer. It won't be-eee-eee.

And even when God's wrath has started,  
You will hope that it will be  
Less than full destruction. It won't beeee, yeah-yeah!

It will be --- as decreed.  
God has promised. It will be.  
Your destruction's coming.  
I - iiii- it will be!

## Verse 3

And while the world is raging,  
Faithless rebels, there's a light on thee,  
Shining from Mt. Zion. It will be.

Weeeee listen ... for the sound of trumpets,  
And a sight Lord, and a sight man's never seen.  
Christ is soon returning. I want you to know it will be, yeah, yeah -- ya-yeah!

It will be. You will see  
Finally coming, it will be:  
God's avenging answer. I want you to know it will be, yeah-yeah, yeah-yeah!

## Final Chorus

It will be! --- As decreed!  
Your God hates you! --- You will see!  
This world's doom is coming. It will be.
