

You'll Be Blamed (Parody of 'Tamed' by Miley Cyrus)

He's an angry God!

For parents who raised 'em
Made 'em whorish and lazy
Fornicating away-uh
24 hours a day
'Cause you're sluts like that
Every dad everywhere had only bad intentions
Truth, ya moms didn't mention
Ya taught your kids to sin
'Cause ya hate like that

Priests tell them lies for money
Fillin' up their hands
Your kids won't change
You bitches made it so they can't
And every tomorrow is a curse
Just understand:
When ya turn 'em into whores-on-demand

[Chorus]
You will be blamed
They can't be saved
You'll be in flames
You can, can, can, can
(Parents are to blame)
Can be blamed
You will not change
They can't be saved
You'll be burn-in'
In searin' flames

Well, there is no question;
Ya got bad intentions
We'll tell ya
Your lies we'll dispel-uh
Ya send your kids off to hell
(you hate your kids like that)
It's not a puzzle

You know all your children are nasty
You better understand this
What you teach them's so sick
GodSmack for that!

Ya wouldn't try
Ya had to lie
Ya know it's so
Ya hate your kids
Ya love your sin
You bring them woe
When filthy fags and dykes come courting, they say "Go!"
More IEDs will explode!

[Chorus]

Pimpin' your kids for fame
You whores are all the same
Ya made a mistake
Said God is fake
They've made you cursed this day
Can't save you
Don't want to
Lust pursued
You're so screwed!
(Parents to blame)

Ya wouldn't try
Ya had to lie
Ya know it's so
Ya hate your kids
Ya love your sin
You bring them woe
When filthy fags and dykes come courting, they say "Go!"
More IEDs will explode!

[Chorus]
