

“Chandelier” (Parody of “Chandelier” by Sia)

All the pain, all the hurt
Won't stop your sin, when will you learn?
You're goin' down, goin' down
It will come, that final call
World's blowin' up, droppin' into hell
Lies aren't love, lies aren't love
1,2,3 – you're on hell's brink
1,2,3 – you're on hell's brink
1,2,3 – you're on hell's brink
Never ends, the days lose count
Proud sinners hang from the chandelier, from the chandelier
You're gonna live, like hell just doesn't exist, hell just
doesn't exist
Truth on our signs, shining bright into the night, see you all
passing by
Like monkeys you swing from the chandelier, from the
chandelier

Fag marriage ruins your life, bring you down, just open your
eyes
Wrath filled up keeps your soul from the light, Christ will
come as a thief in the night
Hear me, fag marriage ruins your life, bring you down, just
open your eyes
Wrath filled up keeps your soul from the light, Christ will
come as a thief in the night, thief in the night

Fag's marrying; what a mess
Ought'a get out now; Ought'a run from this
But you have no shame; you have no shame
(Aah, aah, aah)
1,2,3 – you're on hell's brink
1,2,3 – you're on hell's brink
1,2,3 – you're on hell's brink
Never ends, the days lose count
Proud sinners swing from the chandelier, from the chandelier
You're all sick drunks, like hell just doesn't exist, it doesn't
exist
Truth on our signs, shining bright into the night, see you all
passing by
Like monkeys you swing from the chandelier, from the
chandelier

Fag marriage ruins your life, bring you down, just open your
eyes
Wrath filled up keeps your soul from the light, Christ will
come as a thief in the night
Hear me, fag marriage ruins your life, bring you down, just
open your eyes
Wrath filled up keeps your soul from the light, Christ will
come as a thief in the night
Thief in the night, thief in the night
You hold on to your sin in the night
Until there are no more tonights
Thief in the night; thief in the night
Staggering to and fro in the night
Stagger on to your graves in the night
Here He comes as a thief in the night
Thief in the night; thief in the night
