We have considerable experience -- the past two + decades -- dealing with the United States Military. It's all bad! We are prepared to give testimony that in our documented experience, the U.S. Military is filled top to bottom with fags and dykes and misfits of every kind. It is a lie that our military consists of brave, competent, self-sacrificing young patriots. They are incompetent cowards and bullies. They're not fighting for First Amendment rights; they're fighting for the perverts of this nation to murder their babies, to "marry" their fag partners, and to commit whoredoms & abominations of every kind.

They're not heroes! Don't worship dead perverts!

**GOD HATES WORTHLESS,
IDOLATROUS AMERICA.**
