WBC TO PICKET THE FAG MARRIAGE DEBATE AT THE CATHOLIC "PRIESTS RAPE BOYS" CAMPUS MINISTRY OF COLORADO UNIV., MONDAY, JAN. 25, FROM 6:00 TO 7:00 PM

The question on the table: "Should the government recognize same-sex marriage?" Better question: "Do you fools really think this is a question up for debate?" Best question: "Has it even occurred to you that having this debate (& its inevitable endorsement of abominable same-sex marriage & the societal institution of same) will be the final straw in bringing your Noah's-Flood-like destruction?"

"For as in the days that were before the flood they were eating & drinking, marrying & giving in marriage, until the day that Noah entered into the ark, And knew not until the flood came, & took them all away; so shall also the coming of the Son of man be." Mt. 24:38-39

What you should take away from this passage:

Pre-Flood society was prosperous, rebellious, & clueless. They weren't just appropriately "eating & drinking;" they were gluttonous brutes – just like America. They weren't just appropriately "marrying & giving in marriage;" they were, as a society, recognizing those counterfeit versions of marriage (filthy fag couples, etc.) – just like America. And they had no idea their destruction was imminently upon them, though they had many words of warning from faithful preachers (e.g. Noah) for many years – just like America.

AMERICA IS DOOMED.
