## God Hates the World (Sing to *We Are the World*)

You've crossed the line – you won't heed this final call  
Evil world – you've come together as one  
See your soldiers dying (See your children dying)  
Oh--you claim God's blessing you  
That lie -- The greatest lie of all

You can't go on – pretending day by day  
That the God of Judgment is dead and gone  
You are all a part of  
The devil's family  
And the truth – you're all headed straight to hell!

God hates the world, and all her people  
[You'll eat your kids – you hateful people]  
You every one face a fiery day  
For your proud sinning  
It's too late to change His mind  
You lived out your vain lives  
Storing up God's wrath – for all eternity  
[The siege is coming – just you watch and see]

Well, you knew God's law – but you disobeyed it all  
Spent your lives – chasing your lust and lies  
Serving all your idols  
Fag beasts and bloody flags  
Fires of hell are waiting there for you  
(REPEAT CHORUS)

His prophets came – standing in His place  
Your violent ways – you cursed Him to His face  
Well, you will all soon realize  
The destruction's drawing nigh  
You will all – stand together and fall

Dear British Bastards & U.K. Insurgents,

The humble prophets of WBC are already receiving your vile hate e-mail full of filth and violence – very predictable – in response to the BBC's airing of *The Most Hated Family in America*, about our picketing ministry to the world. For information and details see [www.godhatesfags.com](http://www.godhatesfags.com), [www.godhatesamerica.com](http://www.godhatesamerica.com), and [www.signmovies.net](http://www.signmovies.net).

It is a great privilege to be found worthy to be the mouth of God to this evil world, and to be hated for the name of Christ. Doomed america is full (over 2 million) of false prophets, pretending to be a “Christian nation.” Doomed america was founded in gospel truth, and God blessed and strengthened her. With time, she forsook God, and turned to herself, believing herself to be so powerful that she had no more need of her Creator. That was a mistake. Today Doomed america is

swollen with unfounded pride, led by Bombastic Big Mouth Bastard Bush, whom God and his holy angels have duped into starting a war they cannot win. God is the #1 enemy and terrorist of Doomed america, and it's too late.

Meanwhile, you British Beasts and U.K. Eunuchs have had no claim to salvation or righteousness for many years. You cruelly persecuted the prophets whom God sent you, leading your citizens to flee your tyrannical so-called Acts of Uniformity, Acts of Supremacy, five-mile act, and similar outrageous laws against God. Indeed, at your hand Bright Shining America was founded. That was necessary to have a super power rise up – which was necessary to lead to these Last of the Last Days. That's the one decent thing you Bubblehead Brits and U.K. Upstarts have done in your entire history. Most of your years you've groped around in thick darkness, including in the days when it was said that the sun rose and set on the British Empire.

Now you're part of a cursed and doomed world and generation. Very shortly Christ is going to come through the clouds, in power and glory, with his holy angels, taking vengeance on them

who knew not God and obeyed not the gospel. That would include every one of you British Bastards and U.K. Insurgents.

So don't waste your time lobbing your half-baked hate missives at us. We've dealt with the violent, vicious, bloody, vindictive, God-cursed Doomed americans on their mean streets for over 15 years. You twits in the U.K. are no match, and indeed today you are but a pale shadow of your former selves (when the British Empire covered one-fourth of the earth's surface), because God has not blessed you in a long time. You are simply a raunchy little group of pagans, no larger than Oregon, who long ago quit pretending to believe in God, and who have given yourselves over fully to lust and sin. The only good news we can offer you is that you are not in as much trouble with God today – *maybe* – as Doomed america, and her false lying whore prophets and her “leaders.” But you have access to the Bible just like us, and you are responsible to know it and follow it. It would be well, therefore, for you to get a Bible, read it, AND OBEY. The end of the world draws nigh, and soon the words of the Apostle Peter will be fulfilled, where it is said, at 2 Peter 3:10, “But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up.” Your cyber fits will change nothing. These immovable facts stand constant and forever:

-  God hates fags.
-  God hates fag enablers.
-  Therefore, God hates England & the U.K.
-  God hates the world
-  It's too late to pray.
-  The judge is even at the door.
-  On the question of whether anyone in England or the rest of the U.K. has a chance of getting to heaven today, a few thoughts:
  - For 99.99999999% let me just say, in the immortalized words of our beloved little Shirley: ***Not a chance pooppy pants!*** So 60.6 million citizens of the U.K. are going to split hell wide open when Christ returns in power and glory, and destroys the world!
  - A few of you have written suggesting you have a bit of a remaining clue, and some fear of God. To you we say, the return of Christ draws nigh, lift up your eyes to heaven and rejoice, get a Bible, read it every day, work out your salvation with fear and trembling, and above all -- OBEY. Tell your fellow man the same, in plain, unapologetic words. Nothing else will suffice at this hour.
-  There is no time off for good behavior in eternity – IT'S FOR EVER!
-  Most of mankind is going to hell. The default is hell.
-  The United Kingdom like Doomed america, has sinned away her last day of grace. Now all that's left is a fearful watching for the final judgment.
-  We don't give a groat for what you have to say – neither does God. Your words change *exactly* nothing.
-  Uncommon cowardice is a common virtue for your military members, and *your* Bombastic Big Mouth Bastard Blair, a/k/a Bush's Lap Dog. God is the enemy of your military, and you will never win another battle.

Thanks to the BBC for broadcasting our message into hundreds of millions of households, hotel rooms, cruise ships and airliners – all on their nickel. Our goal is to publish – not convert the Wicked One and his children. Now all of you will be without excuse on the Great and Terrible Day of Judgment. This little flock of slaughter – whom the whole world hates – has by the grace and mercy of God, delivered the message to the round world – God hates you!

In closing, here are some words we wrote to your national anthem and one of your popular military songs. Enjoy! Tally ho! Cheerio! Toodles! And don't trip on the rug on the way to the loo! ☺

***God Hates Your Queen & Land!***

God hates your filthy Queen,  
Many large lies we've seen,  
    fall from her lips!  
She caused the troops to die,  
    Her pomp is just a lie,  
Her diplomats are filthy fags;  
Now God hates your Queen!

    God sent the latent foe,  
    And the assassin's blow,  
    God hates your Queen!  
    To her God's finger points,  
    He'll break your British joints,  
Your filthy mother is your pomp,  
Now God hates your Queen!

    Your royal whores abound  
    God will not hear a sound  
    Of your false prayers  
    He sent Iran to you  
    With you – He'll let them do  
Whatever punishment He's planned  
    Now God hates your land!

***England Military Song***

Well, you told all the buggers to  
    Come on in  
Then you fussed and you fumed when we  
    Called it a sin  
Now you stand and you scratch  
    Your feces crusted chin  
And wonder why God killed  
    Your soldiers again

They are all gone to hell, and you  
Know it's the truth  
But you mock and decry how we  
Have no real proof  
And you look to the Bible and call  
It a spoof  
You'll know we are right when  
God smashes your tooth

(Chorus)

God hates, He hates, God hates  
Your troops  
God hates, He hates, God hates  
Your troops  
You laugh and mock at this plain  
Simple truth  
But soon He is coming then you'll  
Have your proof
