

Crazy Train (Parody of "Crazy Train" by Ozzy Osbourne)

Amazing, that's how God rolls
Billions of people, drowning in woes
Crazy, it's much too late
To speak of God's love
When you've brought on His hate

Cryin' 'bout your feelings
For your sin, no shame
You're going straight to hell on a crazy train
You're going straight to hell on a crazy train

Let's go!

You've listened to preachers
Your leaders are fools
Your raping false prophets
Who make their own rules
The Beast is ascending
To rule and control
The media sells it
And you pay the toll

This nation God's deceiving
He'll torment you in flames
You're going straight to hell on a crazy train
You're going straight to hell on a crazy train

We've told you your destruction's imminent
You will not listen to our words

Heirs of God's fury
That's what's left to come
Through filthy rebellion
God has made you numb
Crazy, the pride that you wear
God's wrath will be brutal
He will say what is fair

God has not been sleeping
He's gonna bring the pain
It's time for your final ride on this crazy train
Your final stop is hell on this crazy train
