

Blown Away USA (Parody of “Blown Away” by Carrie Underwood)

God’s lightning cracks across the skies
His righteous fury in His eyes
You hated your brothers and sisters
You put your soldiers in the ground
God will send His final twister
We pray, blow it down

There’s not enough pain for this doomed nation
To wash the sins out of your house
There’s not enough words from this doomed nation
To save your children and your spouse

He’ll shatter every window til it’s all blown away
Every brick, every board, every lying whore
blown away
‘til there’s nothing left standing
Nothing in the USA
Every filthy talking pervert will be blown away
Blown away (Blown awaaaaaay)

God hears your raging screamin’ mouths
In bright glory, He’s comin’ with a mighty shout
Try to lock yourselves in the cellar
Listen to the screaming of the wind
You’ll cry to the stones for your shelter
His glory, He’ll avenge

He’ll shatter every window til it’s all blown away
Every brick, every board, every lying whore
blown away
‘til there’s nothing left standing
Nothing in the USA
Every filthy talking pervert will be blown away
Blown away (Blown awaaaaaay)

There’s not enough pain for this doomed nation
To wash the sins out of your house
There’s not enough words from this doomed nation
To save your children and your spouse

He’ll shatter every window til it’s all blown away
Every brick, every board, every lying whore
blown away
‘til there’s nothing left standing
Nothing in the USA
Every filthy talking pervert will be blown away
Blown away ee-ay ee-ay ee-ay ee-ay

Repeat
Blown away
Repeat
Blown away
