

DON'T SHAKE IT OFF (Parody of Taylor Swift's "Shake It Off")

We're so full of hate
Brimstone on the brain
That's what people say, mmm-mmm
That's what people say, mmm-mmm

A stain on Christian faith [*chuckle*]
Should put the signs away
At least that's what people say, mmm-mmm
That's what people say, mmm-mmm

But we'll keep preachin
From the Bible teachin
It's like our God's beseeching
You today
Saying "you gotta just obey!"

Cuz God's not gonna change, change, change, change, change
Proud sin He'll always hate, hate, hate, hate, hate
Our warning, don't you shake, shake, shake, shake, shake
Don't shake it off, Don't shake it off
Fag marriage runs your state, state, state, state, state
Hell fire is your fate, fate, fate, fate, fate
Our warning, don't you shake, shake, shake, shake, shake
Don't shake it off, shake it off

We're always on your streets
Love that moves our feet
And that's what they don't see, mmm-mmm
That's what they don't see, mmm-mmm

Trusting God to show (trusting God to show)
Where His Words should go (where His Words should go)
And that's what they don't know, mmm-mmm
That's what they don't know, mmm-mmm

So we'll keep preachin
From the Bible teachin
It's like our God's beseeching
You today
Saying "you gotta just obey!"

Cuz God's not gonna change, change, change, change, change
Proud sin He'll always hate, hate, hate, hate, hate
Our warning, don't you shake, shake, shake, shake, shake
Don't shake it off, shake it off
Fag marriage runs your state, state, state, state, state
Hell fire is your fate, fate, fate, fate, fate
Our warning, don't you shake, shake, shake, shake, shake
Don't shake it off, shake it off

Don't shake it off, shake it off
Don't you, shake it off, shake it off
Don't you, shake it off, shake it off
Don't you, shake it off, shake it off

Hey, hey, hey
Just think while you've been getting down and out
About how misjudged and hated you are because of your sin
You could've been thankful for God's Word preached.

Your best friend goes from man to man
Be like "stop that sin, cuz God's not gonna take"
If you claim you love the Lord but say Taylor's not a whore
Then you hate your neighbor, baby, you're a fake, fake, fake.

Cuz God's not gonna change, change, change, change, change
Proud sin He'll always hate, hate, hate, hate, hate
(Sin He'll always hate)
Our warning, don't you shake, shake, shake, shake, shake
Don't shake it off, shake it off
Fag marriage runs your state, state, state, state, state
Hell fire is your fate, fate, fate, fate, fate
(your fate, your fate, your fate)
Our warning, don't you shake, shake, shake, shake, shake
Don't shake it off, shake it off

Don't shake it off, shake it off
Don't you, shake it off, shake it off
Etc.
