

Jesus Hates Proud Sinners
Parody of "Jesus, Friend Of Sinners" by Casting Crowns

| | |
|---|--|
| Jesus Friend of sinners we have strayed so far away | Jesus hates proud sinners, we proclaim to you today |
| We cut down people in your name but the sword was never ours to swing | He sent us in his holy name with the sword of truth for us to swing |
| Jesus friend of sinners the truth's become so hard to see | Jesus hates proud sinners, [just] crack a Bible you will see |
| The world is on their way to You but they're tripping over me | Satanic preachers lie to you, when they say your will is Free |
| Always looking around but never looking up I'm so double minded | By his perfect decree he gave you hearts of stone and your eyes're blinded |
| A plank eyed saint with dirty hands and a heart divided | Our righteous judge, his blessed sheep from the goats divided |
| | |
| Oh Jesus friend of sinners | Oh Jesus hates proud sinners |
| Open our eyes to the world at the end of our pointing fingers | Teaching your lies in his name while you show him your middle finger |
| Let our hearts be led by mercy | He will judge you, without mercy |
| Help us reach with open hearts and open doors | You have made his blood your ticket to be whores |
| Oh Jesus friend of sinners break our hearts for what breaks yours | Oh Jesus hates proud sinners, he told you go and sin no more |
| | |
| Yeah,yeah,yeah | Yeah, yeah, yeah |
| | |
| Jesus friend of sinners the one who's writing in the sand | Jesus Hates proud sinners same sex marriage will not stand |
| Make the righteous turn away and the stones fall from their hands | When old Sodom went that way, He rained fire upon the land |
| Help us to remember we are all the least of thieves | Heritage of vipers, from his wrath you cannot flee |
| Let the memory of Your mercy bring your people to their knees | Satan clearly has deceived you, thinking Christ will bow his knee |
| | |
| Nobody knows what we're for only what we're against when we judge the wounded | Our Captain calls us to war, by the heavenly host we are now surrounded |
| What if we put down our signs crossed over the lines and love like you did | And so we put up our signs step up to the line and preach like he did |
| | |
| Oh Jesus friend of sinners | Oh Jesus hates proud sinners |
| Open our eyes to the world at the end of our pointing fingers | Teaching your lies in his name while you show him your middle finger |
| Let our hearts be led by mercy | He will judge you, without mercy |
| Help us reach with open hearts and open doors | You have made his blood your ticket to be whores |
| Oh Jesus friend of sinners break our hearts for what breaks yours | Oh Jesus hates proud sinners, he told you go and sin no more |
| | |

| | |
|---|---|
| You love every lost cause; you reach for the outcast | You took up the wrong cause; in hell you will be cast |
| For the leper and the lame; they're the reason that You came | All that's holy you profane, so to him you pray in vain |
| Lord I was that lost cause and I was the outcast | You're rebels with no cause, your eyes should be downcast |
| But you died for sinners just like me a grateful leper at Your feet | Hear us now repent while you still breathe; cause Hell is for eternity |
| | |
| 'Cause You are good, You are good And Your love endures forever | 'Cause flesh is grass, it won't last, but his word endures forever |
| You are good, You are good and Your love endures forever | Flesh is grass, it won't last, but his word endures forever |
| You are good, You are good and Your love endures forever | Flesh is grass, it won't last, but his word endures forever |
| You are good, You are good and Your love endures forever | Flesh is grass, it won't last, but his word endures forever |
| Oh Jesus friend of sinners | Jesus hates proud sinners |
| Open our eyes to the world at the end of our pointing fingers | Teaching your lies in his name while you show him your middle finger |
| Let our hearts be led by mercy | He will judge you, without mercy |
| Help us reach with open hearts and open doors | You have made his blood your ticket to be whores |
| Oh Jesus friend of sinners break our hearts for what breaks Yours | Oh Jesus hates proud sinners, he told you go and sin no more |
| | |
| And I was the lost cause and I was the outcast | You're rebels with no cause, your eyes should be downcast |
| Yeah(hold note) | Yeah |
| You died for sinners just like me, a grateful leper at Your feet | Hear us now repent while you still breathe; 'cause Hell is for eternity |
