

## WBC Pledge of Allegiance

You pledge allegiance to the fags  
who run all of America  
and to all the filth for which they stand  
feces-eaters  
under Satan  
Disease spreaders  
Hating liberty  
Denying justice to all

You pledge allegiance to the flag  
Knowing God hates America  
And all the sin for which she stands  
God-haters  
Under Satan  
United in evil  
Hating liberty  
Denying justice to all

We pledge allegiance only to God  
And pray he destroys America  
And all the people in the land  
More dead soldiers  
More lost limbs  
Taking vengeance  
On the disobedient  
Bringing His justice to all
