God is still sovereign over Heaven and Earth and all that is in them. The Corona virus plague may have circled and ravaged the globe, but it has not dethroned the King. Not only is the Almighty in control of the situation, but He is the author of it. For over one year the American education system has been in a state of complete turmoil. Hapless students watched on as their teachers and leaders gyrate to every vain imagination of man, that they might fix this mess without once looking to or even mentioning the Lord. See the results for yourself, and resolve to seek Christ.

“Whereas ye know not what shall be on the morrow. For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away.” (James 4:14)

It is time for some sober thoughts. About you, about God, about His word, about His purpose, about this current plague and about what might come next. The Bible says that God is angry with the wicked every day. Loud and proud sin will not stand in His sight. For the cause of God and truth we preach to you the remedy - Jesus Christ - who is ***‘the way, the truth, and the life’*** (John 14:6). Don’t allow academic achievement to puff up your pride and stop you from seeking the Saviour that your very own soul needs for the eternity ahead.

“He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God.” (John 3:18)
