Signs of the Times: Shining Bible Light on Current Events

The Lord has wrought many blessed judgments in the world this week which can be seen plainly by any who have been given eyes to see, ears to hear, and a heart to understand by the gracious hand of God. Let's view some of this week's judgments from the proper perspective:

For many months, if not years, the supply chain has been severely disrupted around the world. Such that in the U.S., over 1000 cargo ships are waiting off of the ports of California to dock and simply not allowed to because they have no way of unloading the shipping containers. It's being reported that these cargo ships are carrying as many as half a million shipping containers, which then causes delays for truck drivers or train cars to deliver these goods across the nation. This ripple effect could be devastating to the U.S economy, but we'll see what the Lord has in store. The whole world is being impacted by all of this. However, it will be well with the man that fears and obeys the Lord:

Blessed is every one that feareth the LORD; that walketh in his ways. For thou shalt eat the labour of thine hands: happy shalt thou be, and it shall be well with thee. Thy wife shall be as a fruitful vine by the sides of thine house: thy children like olive plants round about thy table. Behold, that thus shall the man be blessed that feareth the LORD. (Psalm 128:1-4)

A major event which occurred this past week, directly related to these cargo ships, is that reports indicated while one of these ships was docked, it let down its anchor and punctured an offshore oil pipeline. Over 144,000 gallons of oil have now spilled into the Pacific Ocean, about five miles from the shore of Huntington Beach. An incident like this has almost countless ramifications. The Lord continues to cause the events of His providence to fall into place, all leading to the return of the King of All. Consider the scripture regarding the black horse that brings with it the causes of the necessities of life being sparse to non-existent (caused in part by a damaged supply chain) – be watchful and pray without ceasing, friends:

And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand. And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine. (Revelation 6:5-6)
