It is not often in this *adulterous and sinful generation* (Mark 8:38) that a school district gets it right when it comes to the issue of so-called “transgenderism” and gender confusion. Years ago, a girl in a Blue Springs middle school and then high school decided to change her gender from female to male. She then demanded the Blue Springs School District allow her to access the boys’ restrooms and locker rooms. They refused, but accommodated the girl by allowing her to participate in boys’ P.E., boys’ athletics and provided her a separate, single person, unisex bathroom to use. Problem solved – right? Wrong! The girl then sued the school district to force them to bow down to her unreasonable and unscientific demands and give homage to the so-called transgender revolution. The Blue Springs School

District fought this ridiculous lawsuit for years in court. A few weeks ago, a crazy Jackson County jury awarded the girl \$4 million in damages (what damage?) for... get this, “sex” discrimination!

As a famous comedian recently said “gender is a fact”. That is true. Chromosomes (represented as X’s and Y’s in science) do not lie, they are what they are. You can manipulate how you dress and surgically scare yourself, but you cannot change your genetic scientific makeup. Genes do not lie. Here is what the Bible says: Gen 1:27 *So God created man in His own image, in the image of God created He him; male and female created He them.* Ge 5:2 *Male and female created He them; and blessed them, and called their name Adam, in the day when they were created.* Mat. 19:4 *And He answered and said unto them, Have ye not read, that He which made them at the beginning made them male and female.* Mr 10:6 *But from the beginning of the creation God made them male and female.*

**Ecc. 12:13 FEAR GOD AND KEEP HIS COMMANDMENTS.**
