## Signs of the Times: Shining Bible Light on Current Events

The Lord has wrought many blessed judgments in the world this week which can be seen plainly by any who have been given eyes to see, ears to hear, and a heart to understand by the gracious hand of God. **“Son of man, thou dwellest in the midst of a rebellious house, which have eyes to see, and see not; they have ears to hear, and hear not: for they are a rebellious house.” (Ezekiel 12:2)** This entire world is a rebellious house! Therefore, the Lord, the God of Israel, is punishing the people of it! Let’s view some of this week’s judgments from the proper perspective:

After two weeks, withheld information is barely trickling from the Independence, Missouri police department after officers killed a woman and her two-month-old baby. This is a scene so sad and brimming with sin it cannot be fully recounted, but it is a certainty that **“The wages of sin is death.” (Romans 6:23A)**. Chief among the sins at hand is fornication: homeless, jobless, and mentally unwell, the parents of the dead child seemed to clearly be in no condition to even consider marriage. But just as they were taught, they lived to chase after their lusts resulting in a child that; they, their relatives, the community, and every relevant governmental agency failed. Finally, on Nov. 7<sup>th</sup> police became involved and encountered the most terrifying, dangerous, and perilous foe mankind has ever known: a woman and her two-month-old infant. Claiming the woman had a knife, a police officer shot the infant – laying on its mother’s chest - in the head, and then followed up with at least a second shot to the mother who is reported to have drowned in her own blood. Hear the police chief’s justification "Officers encountered a female who ultimately was armed with a knife. As a result of that encounter, it resulted in two fatalities, one to the armed female, one to a child,". Merciless, implacable, proud, arrogant, and fueled by hatred **“This evil people, which refuse to hear my words, which walk in the imagination of their heart, and walk after other gods, to serve them, and to worship them, ... is good for nothing. (Jeremiah 13:10)”**. This is a microcosm of the wickedness all around you, we beg you - repent.

**“But fornication, and all uncleanness, or covetousness, let it not be once named among you, ... Neither filthiness, nor foolish talking, nor jesting, ... For this ye know, that no whoremonger, nor unclean person, nor covetous man, who is an idolater, hath any inheritance in the kingdom of Christ and of God. Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience. (Ephesians 5:3-6)”**

You are reaping what you’ve sown. You, America, and you in particular Missouri, ravenously desired this military industrial complex with its death machines and murder justifiers on every side - and now you’re consumed by it. This is not an accident. This is not one bad event or a series of unlucky circumstances. Everywhere you look there is death and perversion on every side. Some examples from current events include the illegal alien who attempted to rape and then murdered Laken Riley was sentenced to life in prison. Matt Gaetz withdrew from his nomination to be Attorney General under President-elect Donald Trump as multiple accusations of sexual abuse and drug related crimes mount. Pete Hegseth the nominee for Secretary of Defense, is mired defending allegations of rape. Whether it was rape or “consensual” the whole situation was grotesque fornication and EVIL. An unjust judge declared Wyoming’s ban on murdering unborn babies unconstitutional. Since Donald Trump was elected President whorish women are mounting support for the “4B movement” which calls to “resist the Patriarchy” with four tenants “no sex, no dating, no babies, and no marriage”. While one can’t oppose the trash taking itself out, there is no righteousness in these whorish women holding their breath like toddlers at the threat of the mildest rebuke. Globally, the ICC issued arrest warrants for Benjamin Netanyahu as he continues to rain death across the middle east. The United States gave Ukraine permission to use its longer-range missiles on Russian soil. As a result, Russia has upped the ante in its murderous escapade in Ukraine using bigger and worse missiles and lowering its threshold for launching nuclear war. China is grappling with “revenge against society” attacks where the disenfranchised are committing acts of violence against random people. Among the most recent events a 39-year-old plowed his car through a crowd, killing 35 and injuring 43, and this week a student stabbed 8 people to death and injured 17 more at his former vocational school. War continues in Sudan as death tolls surpass 150,000. In the Democratic Republic of the Congo 90,000 rapes were reported in 2023, up 40,000 from 2021, and that’s just what was reported, however young boys are very unlikely to report. In Saudia Arabia 21,000 foreign workers (slaves) have died and 100,000 have gone missing since 2017 working on the Saudi megaprojects. And so much more. The wrath of the LORD God is upon you. You spend your days carefully crafting disobedience to your maker and harden your hearts with each compounding blow. While you walk in rebellion, individually and as peoples, you will have no peace. **“Behold, the judge standeth before the door.” (James 5:9)** Repent, more is coming.

**“There is no peace, saith the LORD, unto the wicked.” (Isaiah 48:22)**
